

Why not join the Border Leicester 100 Club and win **BIG*** monthly cash prizes?

This initiative is a new fund raiser instead of a raffle but unlike a raffle, you have a chance of winning **cash** prizes **every month**. It has worked successfully at local shows as well as sports clubs.

Anyone can join for only **£5.00 per month** paid by standing order for a number to enter the draw.

(You can have more than 1 number if you like!)

It's not limited to Border Leicester Breeders so encourage family and friends to join too.

How does it work?

50% of the monthly funds go towards 1 cash prize
with

50% going to Border Leicester Society Funds

eg. If 100 people join the monthly draw will be £250 and the Society will receive £250

*** The more people that join, the BIGGER the prizes!**

You can withdraw at any time by cancelling your standing order
